microgreens milton keynes

Natural Greens Farm have recently started a microgreen home delivery service for consumers located in Milton Keynes and other surrounding locations such as Leighton Buzzard, Woburn and Wolverton. Delivery of our microgreens to Milton Keynes and other surrounding locations such as Leighton Buzzard, Woburn and Wolverton is completely free! We also have no mininum order fee, so you can order as many or as few microgreens as you want. All of our microgreens will be harvest on the day of delivery to ensure you get fresh, flavourful and long-lasting microgreens. We grow fresh microgreens in the UK and we offer many varieties of microgreens for sale.

Natural Greens Farm is looking to sell microgreens across the entire UK by the end of 2020 and we are currently looking into methods of keeping our produce as fresh as possible. Microgreens
